Score: 87/100

DETAILS

Website: bauticardenau.github.io

bcardenau@itba.edu.ar

Nationality: Argentinian and Spanish

Date of Birth: 20/08/1997

BACKGROUND

I am in my last year of studies at Instituto Tecnológico de Buenos Aires. I am looking for a job where I can challenge myself and further improve my skills. I always get complimented on my work ethic, problem-solving mentality, and positive attitude. It is easy and pleasant to work with me. My communication skills and decisiveness usually set me as a team leader, which is great because I enjoy teamwork and getting to work with new people.
